Keeping families close®

About Us

The mission of Ronald McDonald House Charities® of Northeast Ohio, Inc. is *to enhance the healthcare experience for families and children through comfort, care and supportive services.*

Our vision is *to inspire hope when and where families need it most.*

Each year, thousands of families whose children are receiving medical care throughout Northeast Ohio and beyond are served through our programs:

AT THE HOUSE

Ronald McDonald House® programs in Cleveland and Akron give families a welcoming place to stay so they can focus on caring for their children. Comfortable rooms, meals, inviting common areas and landscaped grounds are a safe and welcome retreat from the hospital setting. Families also benefit from the comradery and community they find at the House.

AT THE HOSPITAL

Ronald McDonald Family Room® programs in four Cleveland-area hospitals offer a space for families to rest and recharge just steps from their child's treatment room. Happy Wheels mobile hospitality carts bring comfort to the bedside for those who cannot step away.

IN THE COMMUNITY

Ronald McDonald Care Mobile® in partnership with UH Rainbow Babies & Children's, provides dental service to children ages 3-12 in underserved areas of Northeast Ohio. Our state-of-the-art dentist office on wheels provides diagnostic, preventative and restorative treatment and education to at-risk children right in their own communities.

AT OUTPATIENT CENTERS

Ronald McDonald STAR (Support, Teaching, Awareness, Resources) programs offer a fun and welcoming learning environment for children while their siblings receive outpatient or emergency care. This allows caregivers to turn their full attention to the child receiving treatment.

ONLINE

RedTreehouse.org, the Ronald McDonald Family Resource Link, provides pathways to support for families and children with challenges, disabilities and health care needs.
