

# Ronald McDonald House Charities® of Northeast Ohio and the Mahoning Valley

Each year, RMHC® NEO serves hundreds of Mahoning Valley families whose children are receiving care throughout Northeast Ohio and in the local community.

**Support During Emergencies:** The Ronald McDonald STAR Corner at Akron Children's Beeghly Campus provides supervised learning for children whose siblings are in emergency care. **OPENED MAY 2023**

**On-the-Go Nourishment:** Meal bags at Akron Children's Beeghly Campus and Mercy Health-St. Elizabeth's NICU give families shelf-stable, nutritious items to sustain them throughout the day. **STARTED JULY 2022**

**A Place to Stay When Care is Far from Home:** When a child needs treatment in Akron or Cleveland, Ronald McDonald House® locations offer a comfortable place to stay, meals and other necessities.

**Help in the Hospital:** Whether a family is staying at a House or can't leave the hospital, Ronald McDonald Family Room® programs are a place to rest, recharge and grab a bite to eat steps from their child's room.

**Online Resources:** RedTreehouse.org, the online Ronald McDonald Family Resource Link, supports families with challenges, disabilities, and healthcare needs by helping them find the resources they need to thrive.

**Beginning in 2025 NEW Access to Medical Care:** The Ronald McDonald Care Mobile®, in partnership with Akron Children's, will bring primary care, diagnosis, treatment referral and health education to Mahoning Valley children who have limited access to care.
