

Alternate Housing List

Many hotels in the Cleveland area offer medical discounts. The list below includes options close to Ronald McDonald House (RMH), many that offer discounts to RMH or hospital referrals, and those that offer shuttle transportation to the hospitals (for families without cars). Discounts may be restricted based on occupancy and are subject to change. If you need help finding alternate housing when you are on the wait list for a room at RMH, our volunteers can provide more detailed information.

Approximate prices before tax (subject to change/availability): \$ (under \$50); \$\$ (\$50-\$100); \$\$\$ (\$101-\$130); \$\$\$\$ (over \$130)
